Help Hungovercoders Bond with Super Socialisation

It has been noted that hungovercoder account closure has been due to the lack of social connections in the physical world.
We want to stop this decline and help hungovercoders more easily get to gether to increase those social bonds!

Key Results:

- ○ Two hungovercoder technical meetups in Cardiff by the end of September 2025.
  ○ One hungovercoder mega party in Cardiff by the end of October 2025.

Method of Measure:

Objective Outcome: Pending.

Hypotheses

- **Hypothesis:**
  If we create a Local Pub Finding Application for the hungovercoders community then they will arrange a date for the mega party.
  This will help us achieve the key result of having one mega party by the end of October 2025.

Objective:
Increase Community Awareness through Terrific Tech Knowledge Sharing

Hungovercoders are finding it difficult to raise awareness in technlogy according to their latest feedback.
We want to ensure that its seamless and recognisable that hungovercoders are promoting technical knowledge from the community.

Key Results:

- ◦ Four hungovercoders blogging by the end of September 2025.

Method of Measure:

Objective Outcome:

Pending.

Hypotheses

Objective: Add badge to README
